and cooler to-day. To-morrow fair fresh and cooler to-day. To-morrow fair fresh westerly winds. For Southern New England—Fair to-day and to-morrow; somewhat cooler to-night. For Southern Somewhat cooler to-night. Fresh westerly winds. For Western New York-Fair to-day and to-morrow; little change in temperature. Moderate west to south winds.

WASHINGTON, Oct. 21.-Pressure con way of the universal acceptance of that instrument as adopted at Versailles.

Article X. "the heart of the covenant," upon which the American people have had their attention focussed during his campaign, strikes deeply into the American conscience. That article provides a mutual undertaking to respect and preserve as against external aggression the territorial integrity and political independence of all the members of the League.

America did its part in the Hague peace conferences of 1899 and 1907, and the American people remember what happened between the time of those conferences of those conferences of these conferences of these conferences of these conferences of these conferences of the three conferences of the Hague peace conferences of 1899 and 1907, and the American people remember what happened between the time of those conferences conferences of these conferences of the coverage of the time of those conferences of the time of the coverage of the time of the
